IN THE MATTER OF THE SEARCH OF:  
PRIORITY MAIL  
PACKAGE WITH TRACKING NUMBER  
**9505 5107 2331 4022 0710 70**

Case No. 3:24-mj-00059

**Filed Under Seal**

**AFFIDAVIT IN SUPPORT OF  
AN APPLICATION FOR A SEARCH WARRANT**

I, **Sean C. Humphrey**, being first duly sworn, hereby depose and state as follows:

1. I, Detective Sean C. Humphrey, am employed by the Dayton Police Department and have been since July 2008. I have previously been assigned to Patrol Operations and am currently assigned to the Narcotics Bureau - Montgomery County Regional Agencies Narcotics and Gun Enforcement (RANGE) Task Force. I have extensive prior experience in investigating drug cases that resulted in successful prosecution of persons involved in trafficking of drugs, possession of drugs and other related offenses. I have been involved in narcotics related arrests, executed search warrants that resulted in the seizure of narcotics and participated in undercover narcotics purchases. Through training and experience, I am familiar with the way persons involved in the illicit distribution and sales of controlled substances often operate. These subjects usually attempt to conceal their identities, the locations at which they reside, where they store controlled substances, and the illegal proceeds derived from the sale of controlled substances.  
Through training and experience, I am familiar with the practices of narcotics distributors and sellers, whereby they attempt to conceal the true nature, source, and location of proceeds of illegal activity, commonly referred to as money laundering. I have been a Task Force Officer with the United States Postal Inspection Service since November 2022. I am presently assigned to the Cincinnati Field Office of the United States Postal Inspection Service, Pittsburgh Division, with investigative responsibility for the Southern District of Ohio. Part of my responsibility involves investigating the illicit use of the United States Mails in the transportation of narcotics, other dangerous controlled

substances, and financial proceeds from, or instrumentalities used in, the sale of such narcotics and controlled substances (hereinafter, “Drugs and/or Proceeds”).

2. Based on my prior training and experience as a Task Force Officer with the United States Postal Inspection Service, I have become aware that drug traffickers frequently use United States Priority Mail Express (overnight) or Priority Mail (2-3-day) to transport Drugs and/or Proceeds. Additionally, because of my prior investigations, law enforcement training, and successful controlled-substance prosecutions involving use of the United States Mail, I have learned of certain common characteristics and/or circumstances that indicate a particular package may contain Drugs and/or Proceeds. These circumstances and/or characteristics include, but are not necessarily limited to, the following: the mailer uses different post offices on the same day to send packages, the return address is false or non-existent, the addressee is not known to receive mail at the listed delivery address, the package is heavily taped, the package is mailed from a known drug source location, the labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors emanate from the package, and the listed address is located in an area of known or suspected drug activity.
3. On January 29, 2024, the U.S. Postal Inspection Service intercepted a package (hereinafter “the Package”) at the Cincinnati Network and Distribution Center in Cincinnati, Ohio. The Package is a box bearing USPS Priority Mail tracking number 9505 5107 2331 4022 0710 70, mailed from Post Office 94503, located in Northern California. It was postmarked January 22, 2024, with the following address information:

**Sender:** 907 Toomes ave  
corning  
CA, 96021

**Addressee:** 2352 San Rae drive  
Kettering  
Ohio 45419

Through training and experience as a Task Force Officer with U.S. Postal Inspection Service, I know that Northern California has been long known to be a drug source location.

4. I was unable to perform a check in CLEAR for the recipient's or the sender's information since no name was listed on the Package for the recipient or sender. CLEAR is a law enforcement database that is used as a tool for investigators to identify person/business and address information.
5. According to postal business records, 2352 San Rae Drive, Kettering OH, 45419 is an apartment building. The Package has no number or letter to indicate which apartment unit it is intended for.
6. On January 29, 2024, at the request of the U.S. Postal Inspection Service, Montgomery County Sheriff's Office K9 Detective Tony Hutson conducted a narcotics-detection canine "free air" check of the outside of the Package. An Inspector/Task Force Officer was present during said check. Prior to conducting the "free air" check, the Package was placed in a room with multiple similar and like packages. As set forth in the attached affidavit of K9 Detective Hutson, "Hank" alerted positively for the presence or odor of a narcotic or other controlled substance exuding from the Package. "Hank" is a properly trained and certified narcotics-detection canine.
7. Based on my law enforcement training and experience as a United States Postal Inspector, the Package's address information – including failure to provide full and accurate information for the return address and failure to provide full and accurate information for the recipient address – the positive alert of the narcotics-detection canine, and the Package being sent from a known drug source location via Priority Mail are all indicative of and consistent with Drugs and/or Proceeds being present in the Package.

Therefore, a search warrant to open the Package is requested.

Further, your affiant sayeth naught.

Respectfully submitted,

*Sean C. Humphrey*

OFFICER AFFIDAVIT

I, Officer Anthony Hutson, am and have been employed by the Montgomery County Sheriffs Office since 1998. Among other duties, I am currently the assigned handler of narcotics detection canine "HANK" which is trained and certified in the detection of the presence or odor of narcotics described as follows:

Cocaine, Methamphetamine, Heroin and derivatives

On 1/29/24, at the request of Postal Inspector TFO Humphrey, I responded to the Dayton PD&C, where "HANK" did alert to and indicate upon:

USPS Priority Mail Tracking # 9505 5107 2331 4022 0710 70

TO: 2352 San Rae drive  
Kettering  
Ohio 45419

FROM: 907 Toomes ave  
corning  
CA, 96021

Which, based upon my training and experience and that of "HANK", indicates there is contained within or upon the above described item, the presence or odor of a narcotic or other controlled substance.
